The Michigan State University College of Law
*International Law Review* presents its annual symposium:

**Modern Global Revolution**

February 16 and 17, 2012

Our distinguished panelists will explore the following issues:

- The Aftermath of Revolution: Humanitarian, Legal, and Political Consequences
- Technology, Social Media, and Revolution: Modern Methods of Organizing and Implementing Change
- State Involvement, from Monitoring to Missiles: Foreign State Intervention and Developments in the “Right to Protect”

For more information, contact Blake Nichols, executive editor, at nicho232@msu.edu.
