For admission purposes, an emailed/scanned copy is acceptable, but please knows that you will be required to submit an official copy, as defined above, by July 1st. Any student admitted without official transcripts will not be able to enroll for courses or otherwise formalize their student status until official transcripts have been received.

___ Resume or Curriculum Vitae.
Transcript evaluation report. MSU Law **strongly recommends** that foreign applicants register with the Law School Admissions Council (LSAC) to have your transcripts evaluated and converted into U.S. equivalents. This will assist MSU Law in making scholarship and other decisions regarding your file, as every country has separate grading and graduation requirements and methods. To sign up, please click [here](http://www.lsac.org) or visit www.lsac.org.

English Proficiency Test Scores. Please arrange for TOEFL, IELTS or any other English proficiency testing agency through which you have taken a test to send your test results directly to MSU Law. Our institutional code is 1168.

Your personal statement should be typed and no more than two pages long, double-spaced. **Only the applicant** should write the personal statement.
